## GOVERNING BODY AND VOLUNTEERS PRIVACY NOTICE

---

### Introduction

The rules around Data Protection are changing from the 25 May 2018. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and keep it safe, and will also strengthen your rights over your own data.

The point of these changes is to ensure sensitive or private information about yourselves and our children stays safe and is processed fairly and lawfully. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

Under the GDPR personal data is defined as:

“any information relating to an identified or identifiable natural person ('Data Subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person”.
