Dear Parents or Carers

You may be aware that there are new Data Protection laws coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again and tick the appropriate boxes.

If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

The School will be using photographs of your child for the following reasons, so please tick the relevant box(es) below and return this form to school:-

I am happy for photos of my child to be used on the school website/twitter account

I am happy for photos of my child to be used in the school prospectus.

I am happy for photos of my child to be used as evidence in Kitwell's secure on-line assessment/tracking tools.

I am happy for photos of my child to be used in internal displays.

I am happy for photos of my child to be used in the Kitwell Chronicle (please be aware that the Kitwell Chronicle is uploaded to the Kitwell website)

I am **NOT** happy for the school to take or use photos of my child.

From time to time, we may also want to use video as a method of enhancing the learning activities in the class. Please note, video will only be used in school and will not be shared on ANY online platform or with any external agency at all unless prior permission has been sought from parents/carers involved. We require your consent for your child/children to be involved in any in school video activities.

I am happy for videos of my child to be used in internal school activities.

If you change your mind at any time, you can let us know by emailing gdpr@kitwellprimary.com, let your Teacher know or come in to the school office. If you have any other questions, please get in touch.

Please return by Wednesday 23 May 2018
